# TIOT 2007

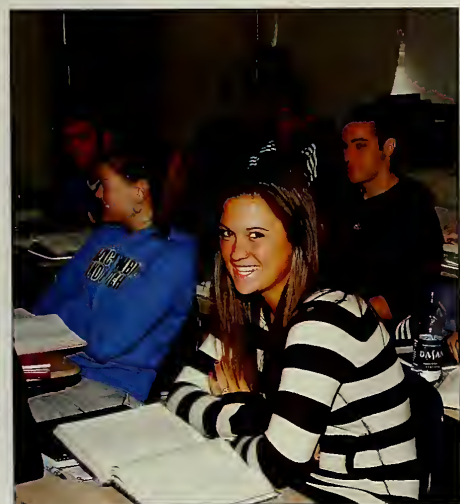

**Norwood Senior High School  
Norwood, Massachusetts  
Volume 69**

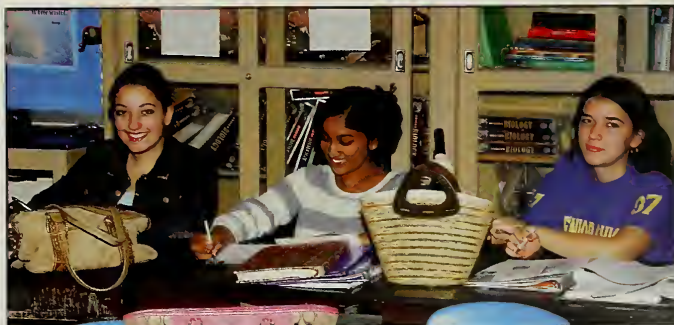

INTRODUCING THE ...

... CLASS OF 2007!

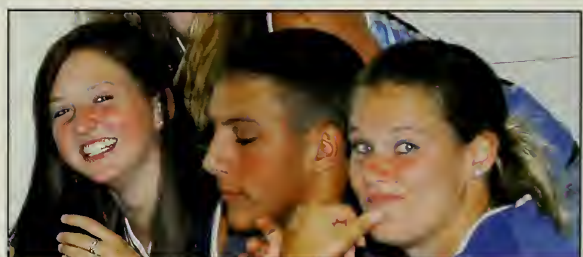

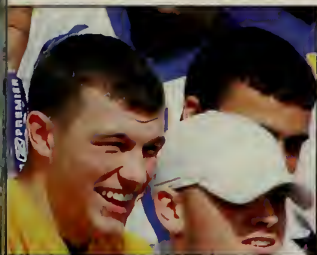

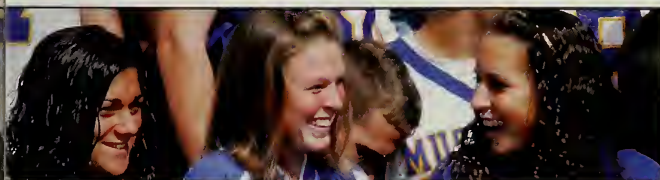

I hope that days come easy  
and the moments pass slow,

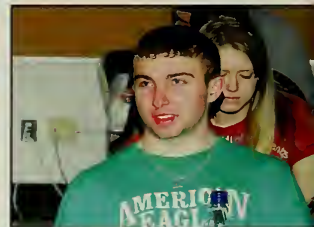

And each road leads you  
where you want to go,

And if you're faced with a choice,  
and you have to choose,

I hope you choose the one  
that means the most to you.

And if its cold outside, show the  
world the warmth of your smile.

My wish for you is that this life  
becomes all that you want it to,

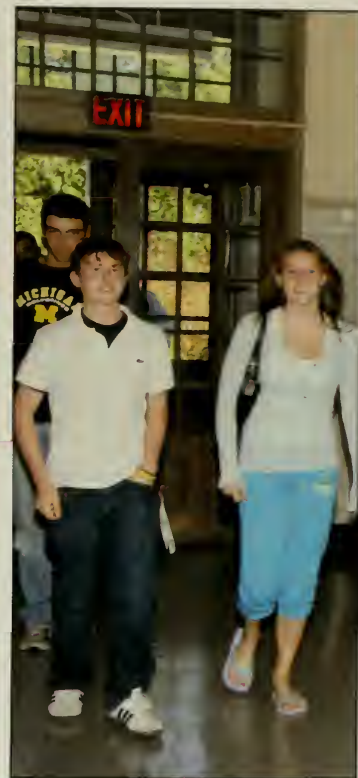

Your dreams stay big, your worries stay small,  
You never need to carry more than you can hold.

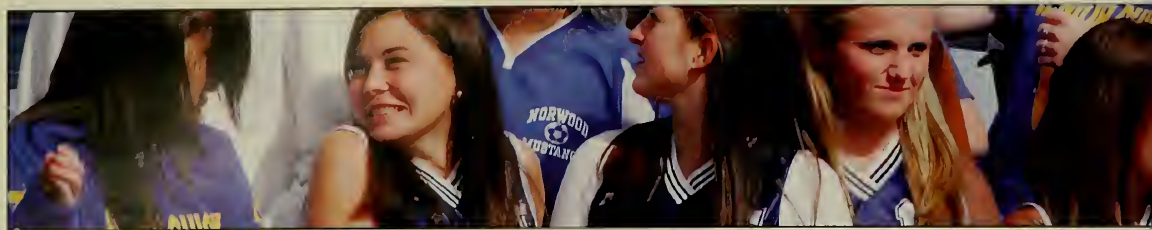

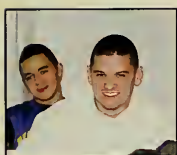

And while you're out there getting where you're getting to, I hope you know somebody loves you

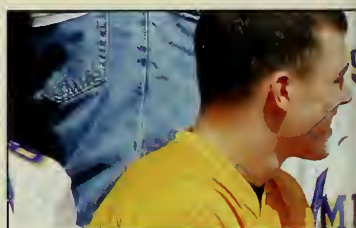

And wants the same things too.  
Yeah, this is my wish.

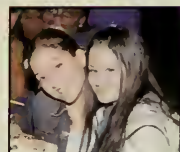

Leaving  OUR  MARK

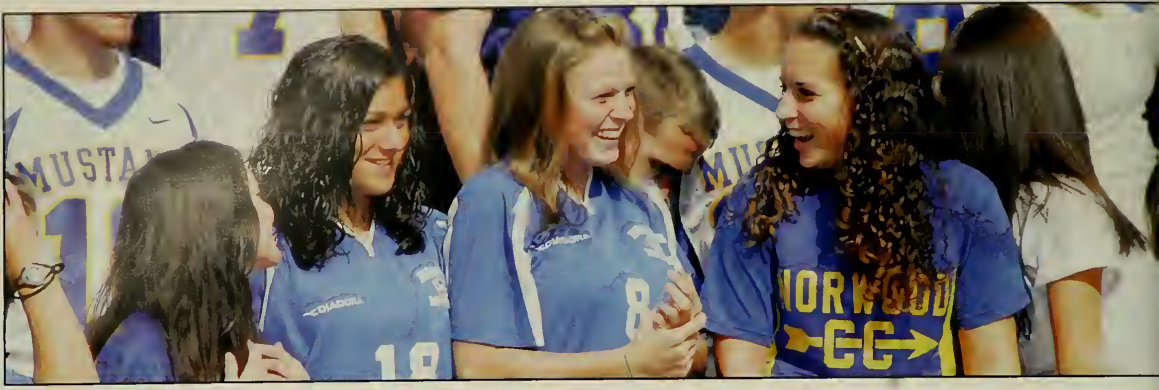

# TIME OF YOUR LIFE!

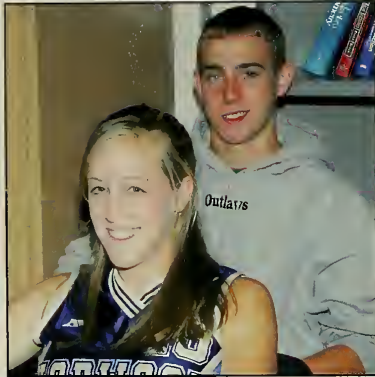

I hope you never look back  
but you never forget,

All the ones who love you in the place you left.

I hope you always forgive and you never regret,  
and you help somebody every chance you get.

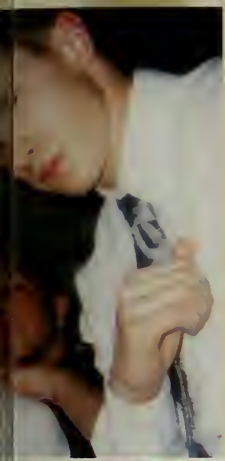

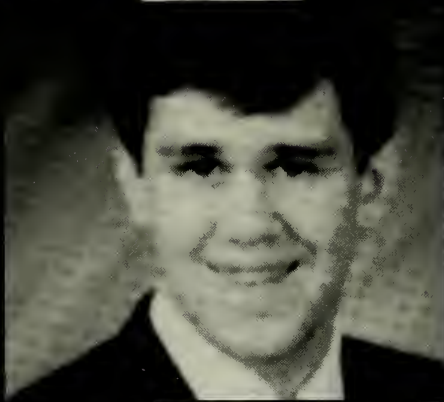

# *Dedication*

Mr. Walter J. Peterson is our choice for dedicatee this year. It's not because he has been here the longest -- it's because he is the best! Mr. Peterson graduated from Dartmouth College in 1959 and from the MAT program at Harvard in 1960, arriving on the Hill the same year JFK won the presidency. He has won the Goldin Foundation Award for excellence. He has taught an after-school English 400 class to students who volunteered to stay to learn of Utopian societies. He has had a stairwell named after him, during the days of "open campus". He has been an indispensable aid to the Administration, the English Department and the Teachers' Union. He has affected every teacher who crossed his path, offering academic help or instructional techniques. At the end of any teacher's career, one of the most gratifying things must be to hear, from former students of all abilities spanning six decades, "I learned so much from him." We, the Tiot staff, join with the rest of the Class of 2007 in thanking Mr. Peterson for his many years of service and his constant caring for the students of Norwood Senior High School.

See page 206  
for answers.

As we go through life, the journey can be  
compared to a muffin. The muffin's bottom  
has been partially eaten. The muffin top  
has been left uneaten, since the best part  
of our lives are still ahead of us. The most  
important thing we can do with our muffin  
top is to make it the way we want. Your  
muffin top can have raisins, blueberries, or  
even mayonnaise! It is also important not to  
make your muffin like someone else's, just  
for the sake of it.

Even before we were East Dedham, the area  
now known as Norwood was called "Tiot".  
This term is a Native American word mean-  
ing, "land surrounded by water." "Tiot" was  
bored by Hawes Brook, Plantingfield Brook  
Germany Brook, Traphole Brook, and the  
Neponset River. This was the name chosen

Long after the last game, match, or event is played, may  
the memories of bus rides, ferry rides, spaghetti dinners  
bring a smile to your face. Most importantly remember  
friendships gained from your athletic experience at

It has been a true pleasure to serve as the Dean of the Class of 2007. I became your dean in the fall of 2005, after the retirement of Mrs. Paula Decoste. Mrs. Decoste had done a wonderful job and had nothing but praise for the class as a whole. During the past two years, I have found that the class members demonstrate outstanding leadership skills and are tremendous role models for the younger students at Norwood High School. You also have fantastic school spirit and participate actively in all school functions. I can confidently predict that you members of the class of 2007 will have much future success and will make the world a better place to live.

Now, when most people write a senior writeup, they put indecipherable streams of characters that confuse the writer more than the reader. However, I shall keep my writeup legible and easy to understand. Unfortunately, most people make their writeups so illegible because they are trying to ram too much information in too small a space. If it isn't already very apparent, I don't really have much to say other than good luck everyone and I'll miss you guys. Yeah, that's it, you can go look at the writeup now.

In order to become an active member in S.A.D.D. students must sign a contract supporting the basic Student Against Destructive Decisions mission. The mission requires members to refrain from the use of drugs and alcohol. This year's S.A.D.D Chapter is one of the largest in Massachusetts. Its members promote the spirit of S.A.D.D through car washes, chaperoning Junior High dances and hosting the annual CandleLight Vigil. At the end of the year all senior members are welcome to participate in White-Out Day. White-Out Day is a day to remember all teens involved in drunk driving accidents. S.A.D.D's goal is to promote good decision making in teens and allows them to meet others who have made the same decisions.

# *Graduating ...*

**Richard King**

Rick King started in Norwood at Junior High North in 1969. He attended Stonehill College and received his Masters from Boston State. He transferred to JHS in 1984, then came to his new home in 1987. Mr. King has been active in coaching and in union activities, but his favorite place is in the classroom. He has been able to establish a bond with many students, especially those with school issues. His friendly manner, his interest in communicating his subject matter, and especially his attention to the individual student will be his legacy. We wish him well in his retirement.

Bill Riley has taught at Norwood High School continuously since 1984. He had attended Providence College for his undergraduate degree. Bill became a member of the Guidance Department in 1987. He was assistant softball coach here, and coached numerous sports very successfully in Westwood, especially basketball. His door was always open to all students and he was an invaluable resource for seniors, especially those contemplating college sports scholarships. He has influenced many diverse students in a positive way. Throughout his illness this year, he has been a role model of perseverance and strength. We wish him a happy retirement.

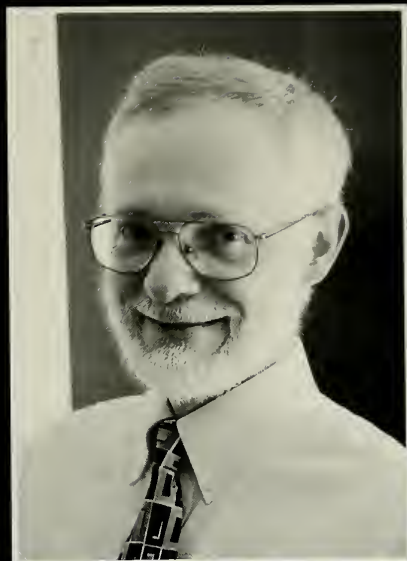

**Bill Riley**

## ...With Us...

Tom Sanford received his B.A. and his Masters from Bridgewater State. He arrived at JHN in 1972, JHS in 1984, and finally moved on to the High School in 1988. He has taught long and well in the Math Department, giving a strong background to many for college boards as well as math majors in college. He is always the winner of the "Gives Most Homework" award in the yearbook, yet is probably prouder of his perennial "runner-up" in the "Loves His Job the Most" category. His dedication to the teaching of mathematics and his devotion to his students will surely be missed.

**Tom Sanford**

**Patricia Tilley**

Pat Tilley began teaching in Norwood in 1971 at the Junior High, having graduated from Bridgewater State that same year. She then climbed the Hill to her Alma Mater in 1983, and has served the English Department ever since, from her room at the "far end of the bottom floor". Over the years, she has been a proponent and leader of the Academic Decathlon program. Both her students and her colleagues will miss her cheerful manner and her professional attitude. We need not hope she has a happy retirement as she has had a head start, and is enjoying it already!

# It's Good to be a Senior Because...

1. You're the only class that can park at school.
  2. You get out of school a month earlier than the underclassmen
  3. An 80 average gets you out of your final exams.
  4. Graduation practice counts as a full day of school.
  5. You don't have to make up snow days, if you had one!
  6. You had Smitty for 3 years of health or gym.
  7. You have Mike Morrison as your President.
  8. You finally learn to wear clothes that fit.
  9. Senioritis keeps you from doing too much work.
  10. Prom and Post-Prom are for and about us.
  11. You run and own the school store.
2. You have the best dean, Mrs. Shachoy, and former dean, Mrs. Decoste...

Mrs. Shachoy

A special thanks to Mrs. Shachoy for making our junior and senior years in high school unforgettable. Thanks for all of the help and encouragement that you gave to the class during our last two years here on the hill. Your kindness and compassion as our dean are greatly appreciated.

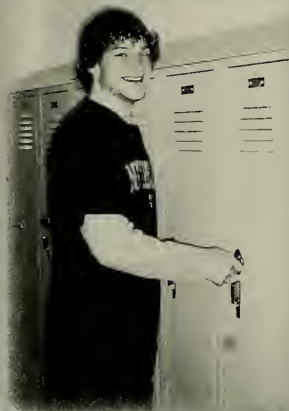

Mrs. Decoste

A special thanks to Mrs. Decoste for making our first two years in high school fun and memorable. Thank you for your caring attitude, dedication, and support throughout our freshman and sophomore years here at Norwood High.

## *Firefighter's Prayer*

*By James J. Metcalfe*

When I am Called to duty, God,  
Whenever flames may rage,  
Give me the strength to save some life,  
Whatever be its age.

Help me embrace a little  
child,  
Before it is too late,  
Or save as older person  
from the horror of that fate.  
Enable me to be alert,  
And hear the weakest  
shout,  
And quickly and efficiently,  
To put the fire out.  
I want to fill my calling and  
to give the best in me,  
To guard my every  
neighbor,  
And protect his property.  
And if, according to my  
fate,  
I am to lose my life,  
Please bless with your  
protecting hand,  
My children and my wife.
